I.M.P.R.O.V.E. CHILDREN BEFORE & AFTERCARE PROGRAM @ LRUMC "20__-20__" CONTRACT__

| Payments must be in the form of cash, money orders or cashier checks. |
|---|
| Children Program (ICP) at Loch Raven United Methodist Church will provide childcare services for my child/children |
| understand that the after – school program will close for two full weeks during the school year, one week for the Christmas and New Year Holiday and another week for Spring Break. During these closing I am responsible for paying 50% of the before & after – care tuition. Other holiday closings will be announced. |
| For this service I agree to pay ICP S per week. Payments must be made 2 weeks in advance (A \$25.00 per day fee will be charged for late payments). I also understand that if I exceed the designated time for picking up my child. I will be obligated to pay an extra \$25.00 per ½ hour (15 minutes)-per child for extended care. For example, if you are 16 min. late, the late fee automatically become \$50.00 per child. |
| Furthermore, I agree to contact ICP within 24 hours of my child next scheduled day to attend the program if I will not be using there services in case of emergency (illness etc.). I agree to contact the program within 2 wks of my child's next scheduled day for non- emergencies (vacations etc.) I understand that refunds are not given (for any reasons) if I decide not to send my child to the program on days in which ICP are responsible for caring for my child. If I decide to withdraw my child from the program, a two weeks notice must be given in writing and I am responsible for paying for those final two weeks of the program. If the notice is not given I am responsible for the remainder of the tuition. |
| Although ICP may be open on days in which your child's school may be closing early or days in which your child school may not be open, we are not responsible for caring for your child before 3:00 pm. |
| We will follow Baltimore County Schools' schedule for school closings during inclement weather. Please download the WBAL TV 11 app for up to date school closings and delays, if Baltimore County Schools opens late there will be no before care. If Baltimore County Schools close early there will be no after-care. |
| Parent/Guardian Name: |
| Page 1 of 2 Updated January 2023 |

We respectfully ask all parents and adults who are designated to pick up and drop off children to not enter into the church building under the influence or smelling of drugs (marijuana) and alcohol. If this request is ignored by parents or guardians who pick up children, your childcare contract will be terminated by IMPROVE and Ms. Viola, the director will meet with you if needed. We understand that marijuana is sometimes used for medicinal purposes, however, please keep into consideration the side effect that the smell can have on the children, staff and younger siblings of the families who may be present. If you have any questions or concerns about this new policy, please contact Ms Viola via her cellular phone: 410-215-4604.

UPDATED January 2021

I.M.P.R.O.V.E. CHILDREN PROGRAM

6622 Loch Raven Blvd Baltimore MD. 21239 40-825-3028

Email: ImproveChildren@ymail.com

DISCIPLINE PROCEDURES AND POLICIES

The I.M.P.R.O.V.E. staff is committed to providing a safe, positive and structured environment for all children in our Before-care, After-care and Summer programs. Although I.M.P.R.O.V.E. Before, Aftercare and Summer Camp have different schedules, appropriate student behavior is expected during each.

Please review the following rules and consequences for I.M.P.R.O.V.E. and discuss them with your child.

- Show respect at all times to staff and peers.
- Follow instructions set forth by staff/center.
- Refrain from damaging school/church property.
- Refrain from disruptive behavior and inappropriate language.
- 5. Comply with any and all other regulations set forth by I.M.P.R.O.V.E.'s Director/Owner/Board members and Loch Raven United Methodist Church.

I.M.P.R.O.V.E. staff will make every effort to communicate with parents/guardians when disciplinary action needs to be taken.

Please know that all rules will be reviewed with students at the beginning of the school year/summer camp. It is imperative that both the students and the parents understand the expectations of I.M.P.R.O.V.E. as well as the potential consequences.

- 1st The assistant Director or staff will contact parent regarding child behavior.
- 2nd Director/Owner will contact parent by phone to schedule meeting
- 3rd A warning letter will be send to parent
- 4th Fourth occurrence will result in suspension from before/aftercare/summer camp

A total of four occurrences can result in permanent dismissal from the I.M.P.R.O.V.E. Children Program.

Please date and sign below to acknowledge that you have read, understand and comply with the above policies and procedures.

IMPROVE CHILDREN PROGRAM

6622 Loch Raven Boulevard Baltimore, Maryland 21239-1498 410-825-3028 Email: IMPROVECHILDREN@ymail.com

- All Staff must arrive 10 minutes early to be assessed and have temperatures checked everyday before work.
- Parents and Visitors are not allowed in the building.
- All rooms will be disinfected 3 times a day
- All parents must allow 15 minutes for child to be assessed and temperature to be taken when dropping child off.
- All parents must sign waiver/consent before child can be enrolled in IMPROVE Children Program.
- Parents must provide 3 emergency contacts that can pick the child up within 15 minutes of being notified if the child becomes ill while in our care.
- Staff must monitor each child's hand washing procedure to assure that they are washing their hands properly.
- All support staff (Aides), will be available in a distant location with walkie talkies to escort children to rest rooms, clean and move supplies from room to room while respecting social distancing and performing other duties when
- Additional Hygiene (hand washing) time will be added to the daily schedule after hands on activities.
- Lead staff will occupy the foyer during peak dismissal and arrival times to assure that no visitors or parents try to enter the building and to make sure kids are assessed properly. The Inner door will remain locked at all times. New door codes will not be shared under any circumstances.
- IMPROVE will follow CDC guidelines for probable COVID cases. Please inform TJ or Ms. Viola if you would like a copy of the CDC guidelines.

Child Care Facilities Information About

Who Regulates Child Care?

All child care in Maryland is regulated by the Maryland State Department of Education, Office of Child Care's (OCC), Licensing Branch.

The Licensing Branch's thirteen Regional Offices are responsible for all regulatory activities, including:

- Issuing child care licenses and registrations to child care facilities that meet state standards;
- Inspecting child care facilities annually;
- Providing technical assistance to child care providers;
- Investigating complaints against regulated child care facilities;
- Investigating reports of unlicensed (illegal) child care;
- · Taking enforcement action when necessary; and
- Partnering with community organizations and consumers to keep all children in care safe and healthy.

Regulations governing the Maryland State
Department of Education (MSDE) fall under
COMAR Title 13A. Regulations that govern child
care facilities and other information about the
Office of Child Care may be found at:

earlychildhood.marylandpublicschools.org/childcare-providers/licensing

What are the types of Child Care Facilities?

Family Child Care – care in a provider's home for up to eight (8) children with no more than two under the age of two.

Large Family Child Care - care in a provider's home for 9-12 children.

Child Care Center - non-parental care in a group setting for part of a 24 hour day.

Letter of Compliance (LOC) – care in a child care center operated by a religious organization for children who attend their school.

All facilities must meet the following requirements:

- Must obtain the approval of OCC, fire department, and local agencies;
- Must have qualified staff who have received criminal background checks, child abuse and neglect clearances, and are not on the sex offender registry;
- Must maintain certification in First Aid and CPR;
- Must maintain approved staff and student ratio and provide ACTIVE supervision all times when children are in care;
- Must offer a daily program of indoor and outdoor activities;
- Must maintain a file with all required documentation for each enrolled child;
- Must post approved evacuation plans, conductfire drills, and emergency preparedness drills; and
- Must report suspected abuse and neglect, and may not subject children to abuse, neglect, mental injury, or injurious treatment.

Did You Know?

- The provider's license or registration must be posted in a conspicuous place in the facility;
- A child care provider must enter into a writter agreement, with a parent, that specifies fees, discipline policy, presence of animals, the use of volunteers, and sleeping arrangements for overnight care;
- Parents/guardians may visit the facility without prior notification any time their children are present;
- Written permission from parents/guardians is require d for children to participate in any and all off property activities;
- All child care facilities must make reasonable accommodations for children with special needs;
- A qualified teacher must be assigned to each group of children in a child care center;
- Staff:child ratios must be maintained at all times in child care centers;
- Parents/guardian must be immediately notified if children are injured or have an accident in care;
- Parents/guardians may review the public portion of a licensing file; and
- Check Child Care Maryland, <u>CheckCCMD.org</u>, is a resource for parents and families to use to review child care provider's license status, verified complaints, compliance history, and inspection results.

HEALTH INVENTORY

Information and Instructions for Parents/Guardians

REQUIRED INFORMATION

The following information is required prior to a child attending a Maryland State Department of Education licensed, registered, or approved child care or nursery school:

- A physical examination by a health care provider per COMAR 13A.15.03.04, 13A.16.03.04, 13A.17.03.04, and 13A.18.03.04. A Physical Examination form designated by the Maryland State Department of Education and the Maryland Department of Health shall be used to meet this requirement (See COMAR 13A.15.03.02, 13A.16.03.02, 13A.17.03.02 and 13A.18.03.02).
- Evidence of immunizations. The immunization certification form (MDH 896) or a printed or a computer-generated immunization record form and the required immunizations must be completed before a child may attend. This form can be found at: https://earlychildhood.marylandpublicschools.org/child-care-providers/licensing/licensing-forms
 Select MDH 896.
- Evidence of Blood-Lead Testing for children younger than 6 years old. The blood-lead testing certificate (MDH 4620) or another written document signed by a Health Care Practitioner shall be used to meet this requirement. This form can be found at: https://earlychildhood.marylandpublicschools.org/child-care-providers/licensing/licensing-forms
 Select MDH 4620.
- Medication Administration Authorization Forms. If the child is receiving any medications or specialized health care services, the parent and health care provider should complete the appropriate Medication Authorization and/or Special Health Care Needs form. These forms can be found at: Select Forms OCC 1216 through OCC 1216D as appropriate. https://earlychildhood.marylandpublicschools.org/child-care-providers/licensing/licensing-forms

EXEMPTIONS

Exemptions from a physical examination, immunizations, and Blood-Lead testing are permitted if the parent has an objection based on their bona fide religious beliefs and practices. The Blood-Lead certificate must be signed by a Health Care Practitioner stating a questionnaire was done.

Children may also be exempted from immunization requirements if a physician, nurse practitioner, or health department official certifies that there is a medical reason for the child not to receive a vaccine.

The health information on this form will be available only to those health and child care providers or child care personnel who have a legitimate care responsibility for the child.

INSTRUCTIONS

Part I of this Physical Examination form must be completed by the child's parent or guardian. Part II must be completed by a physician or nurse practitioner, or a copy of the child's physical examination must be attached to this form.

If the child does not have health care insurance or access to a health care provider, or if the child requires an individualized health care plan or immunizations, contact the local Health Department. Information on how to contact the local Health Department can be found here: https://health.maryland.gov/Pages/Home.aspx#

The Child Care Scholarship (CCS) Program provides financial assistance with child care costs to eligible working families in Maryland. Information on how to apply for the Child Care Scholarship Program can be found here: https://earlychildhood.marylandpublicschools.org/child-care-providers/child-care-scholarship-program

How To Use This Form

The medical provider that gave the vaccinations may record the dates (using month/day/year) directly on this form (check marks are not acceptable) and certify them by signing the signature section. Combination vaccines should be listed individually, by each component of the vaccine. A different medical provider, local health department official, school official, or child care provider may transcribe onto this form and certify vaccination dates from any other record which has the authentication of a medical provider, health department, school, or child care service.

Only a medical provider, local health department official, school official, or child care provider may sign 'Record of Immunization' section of this form. This form may not be altered, changed, or modified in any way.

Notes:

- When immunization records have been lost or destroyed, vaccination dates may be reconstructed for all vaccines except varicella, measles, mumps, or rubella.
- Reconstructed dates for all vaccines must be reviewed and approved by a medical provider or local health department no later than 20 calendar days following the date the student was temporarily admitted or retained.
- Blood test results are NOT acceptable evidence of immunity against diphtheria, tetanus, or pertussis (DTP/DTaP/Tdap/DT/Td).
- Blood test verification of immunity is acceptable in lieu of polio, measles, mumps, rubella, hepatitis B, or varicella vaccination dates, but revaccination may be more expedient.
- 5. History of disease is NOT acceptable in lieu of any of the required immunizations, except varicella.

Immunization Requirements

The following excerpt from the MDH Code of Maryland Regulations (COMAR) 10.06.04.03 applies to schools:

- "A preschool or school principal or other person in charge of a preschool or school, public or private, may not knowingly admit a student to or retain a student in a:
- Preschool program unless the student's parent or guardian has furnished evidence of age appropriate immunity against Haemophilus influenzae, type b, and pneumococcal disease;
- (2) Preschool program or kindergarten through the second grade of school unless the student's parent or guardian has furnished evidence of age-appropriate immunity against pertussis; and
- (3) Preschool program or kindergarten through the 12th grade unless the student's parent or guardian has furnished evidence of age-appropriate immunity against: (a) Tetanus; (b) Diphtheria; (c) Poliomyelitis; (d) Measles (rubeola); (e) Mumps; (f) Rubella; (g) Hepatitis B; (h) Varicella; (i) Meningitis; and (j) Tetanus-diphtheria-acellular pertussis acquired through a Tetanus-diphtheria-acellular pertussis (Tdap) vaccine."

Please refer to the "Minimum Vaccine Requirements for Children Enrolled in Pre-school Programs and in Schools" to determine age-appropriate immunity for preschool through grade 12 enrollees. The minimum vaccine requirements and MDH COMAR 10.06.04.03 are available at www.health.maryland.gov. (Choose Immunization in the A-Z Index)

Age-appropriate immunization requirements for licensed childcare centers and family day care homes are based on the Department of Human Resources COMAR 13A.15.03.02 and COMAR 13A.16.03.04 G & H and the "Age-Appropriate Immunizations Requirements for Children Enrolled in Child Care Programs" guideline chart are available at www.health.maryland.gov. (Choose Immunization in the A-Z Index)

HOW TO USE THIS FORM

The documented tests should be the blood lead tests at 12 months and 24 months of age. Two test dates and results are required if the first test was done prior to 24 months of age. If the first test is done after 24 months of age, one test date with result is required. The child's primary health care provider may record the test dates and results directly on this form and certify them by signing or stamping the signature section. A school health professional or designee may transcribe onto this form and certify test dates from any other record that has the authentication of a medical provider, health department, or school. All forms are kept on file with the child's school health record.

Lead Risk Assessment Questionnaire Screening Questions:

- Lives in or regularly visits a house/building built before 1978 with peeling or chipping paint, recent/ongoing renovation or remodeling?
- 2. Ever lived outside the United States or recently arrived from a foreign country?
- 3. Sibling, housemate/playmate being followed or treated for lead poisoning?
- 4. If born before 1/1/2015, lives in a 2004 "at risk" zip code?
- Frequently puts things in his/her mouth such as toys, jewelry, or keys, eats non-food items (pica)?
- 6. Contact with an adult whose job or hobby involves exposure to lead?
- 7. Lives near an active lead smelter, battery recycling plant, other lead-related industry, or road where soil and dust may be contaminated with lead?
- Uses products from other countries such as health remedies, spices, or food, or store or serve food in leaded crystal, pottery or pewter.

MARYLAND DEPARTMENT OF HEALTH BLOOD LEAD TESTING CERTIFICATE

For a copy of this form in another language, please contact the MDH Environmental Health Helpline at (866) 703-3266.

How To Use This Form

→ A health care provider may provide the parent/guardian with a copy of the child's blood lead testing results from ImmuNet as an alternative to completing this form (COMAR 10.11.04.05(B)).

Maryland requires all children to be tested at the 12 and 24 month well-child visits (at 12-14 and 24-26 months old respectively), and both test results should be included on this form (see COMAR 10.11.04). If the test at the 12-month visit was missed, then the results of the test after 24 months of age is sufficient. A child who was not tested at 12 or 24 months should be tested as early as possible.

A parent/guardian and a child's health care provider should complete this form when enrolling a child in child care, pre-kindergarten, kindergarten, or first grade. Completed forms should be submitted by the parent/guardian to the Administrator of a licensed child care, public pre-kindergarten, kindergarten, or first grade program prior to entry. The child's health care provider may record the test dates and results directly on this form and certify them by signing or stamping the signature sections. A school health professional or designee may transcribe onto this form and certify test dates from any other record that has the authentication of a medical provider, health department, or school. All forms are kept on file with the child's school health record.

Frequently Asked Questions

Who should be tested for lead?

All children in Maryland should be tested for lead poisoning at 12 and 24 months of age.

2. What is the blood lead reference value, and how is it interpreted?

Maryland follows the <u>CDC blood lead reference value</u>, which is 3.5 micrograms per deciliter (µg/dL). However, there is no safe level of lead in children.

3. If a capillary test (finger prick or heel prick) shows elevated blood lead levels, is a confirmatory test required?

Yes, if a capillary test shows a blood lead level of $\geq 3.5 \,\mu\text{g/dL}$, a confirmatory venous sample (blood from a vein) is needed. The higher the blood lead level is on the initial capillary test, the more urgent it is to get a confirmatory venous sample. See <u>Table 1</u> (CDC) for the recommended schedule.

4. What kind of follow-up or case management is required if a child has a blood lead level above the CDC blood lead reference value?

Providers should refer to the CDC's Recommended Actions Based on Blood Lead Level (https://www.cdc.gov/nceh/lead/advisory/acclpp/actions-blls.htm).

5. What programs or resources are available to families with a child with lead exposure?

Maryland and local jurisdictions have programs for families with a child exposed to lead:

- Maryland Home Visiting Services for Children with Lead Poisoning
- Maryland Healthy Homes for Healthy Kids no-cost program to remove lead from homes

For more information about these and other programs, call the Environmental Health Helpline at (866) 703-3266 or visit: https://health.maryland.gov/phpa/OEHFP/EH/Pages/Lead.aspx.

Maryland Department of the Environment Center for Childhood Lead Poisoning Prevention: https://mde.maryland.gov/programs/LAND/LeadPoisoningPrevention/Pages/index.aspx

Families can also contact the Mid-Atlantic Center for Children's Health & the Environment Pediatric Environmental Health Specialty Unit – Villanova University, Washington, DC.

Phone: (610) 519-3478 or Toll Free: (833) 362-2243

Environmental Health Bureau mdh.envhealth@maryland.gov

Maryland State Department of Education Office of Child Care Medication Administration Authorization Form

This form must be completed fully in order for Child Care Providers/staff to administer the required medication. This authorization is NOT TO EXCEED 1 YEAR.

This form is required for both prescription and non-prescription/over-the-counter (OTC) medications. Prescription medication must be in a container labeled by the pharmacist or prescriber.

Non-prescription/OTC medication must be in the original container with the label intact per COMAR.

Place Child's Picture Here (optional)
